

VX 2012 Technician Level

Special Price – Only \$100 (includes lunch)

(Recommended for all Rescue Personnel)

This hands-on course is designed to give you the hands-on skills needed to use Hydraulic Tools and Equipment to perform advanced extrication techniques on late model vehicles. This course will focus on coordinating, performing, and supervising complex extrications on vehicles with advanced electronics and ultra-high strength steels.

(PPE Required)

Wednesday Sept 26th 0900-1600

(Please arrive early to complete paperwork)

**LKQ Pick A Part
