

VX 2012 Technician Level

Special Price – Only \$100 (includes lunch)

(Recommended for all Rescue Personnel)

This course is designed to give you the hands-on skills needed to use Hydraulic Tools and Equipment to perform advanced extrication techniques on late model vehicles.

This course will focus on coordinating, performing, and supervising complex extrications on vehicles with advanced electronics and ultra-high strength steels. (PPE Required)

Wednesday June 27th 0900-1600

(Please arrive early to complete paperwork)

**LKQ Mid-America
2001 East 19th Street
Lawrence, KS 66046**

Space is limited – so register early to reserve your spot in class
