

# 2012 Extrication Update

***Special Price – Only \$100*** (includes lunch)

This course is designed to provide you with all of the updates and changes made to 2012 and newer vehicles. The first half of the day in the classroom will discuss new restraint systems, construction methods and materials, along with updates and advancements in Hybrid and Electric vehicles. The second half of the day will be hands-on, practicing the new procedures required to mitigate hazards and extricate trapped patients from these newer more high-tech vehicles. (PPE Required)

**Saturday February 25<sup>th</sup> 0900-1600**

(Please arrive early to complete paperwork)

**North Florida Community College  
Public Safety Building  
325 NW Turner Davis Drive  
Madison, FL 32340**

*Space is limited – so register early to reserve your spot in class*
