

VX 2012 - Ultimate Vehicle Rescue

Special Price – Only \$150 (includes lunch)

(Recommended for all First Responders)

This 1-day classroom course is designed to prepare you for 2012 and beyond. New Steels, New Designs, Alternative Fuels, Advance Restraint Systems, High Voltages and High Pressure Devices are all covered in detail. You will also learn the new techniques and procedures required to safely and efficiently extricate patients from these newer more hi-tech vehicles.

This course is in a **“Train-the-Trainer”** format, and attendees will receive all of the training materials on DVD so they can be shared with others after class. Attendees will also receive access to our Instructor Resources on line, which will allow them to download all of our current and future programs, at no additional cost.

Monday Feb 6th 0900-1700

(Please arrive early to complete paperwork)

Walton County Board of Education

(Bus Garage)

1820 Hwy 11
