

2012 Update

Special Price – Only \$100 (includes lunch)

(Recommended for all Rescue Personnel)

This course is designed to provide you with all of the updates and changes made to 2012 and newer vehicles. The first half of the day will discuss new restraint systems, construction methods and materials, along with updates and advancements in Hybrid and Electric vehicles. The second half of the day will be spent practicing the new procedures required to mitigate hazards and extricate trapped patients from these new vehicles.

(PPE Required)

Sunday June 10th 0900-1600

(Please arrive early to complete paperwork)

Scales Mound Fire Protection District
